## Community Nursing Service at the Barkantine

We offer health visiting, school nursing and district nursing services including access to associated clinics, for example child health, immunisation, family planning and continence clinics. The service may be provided either in the Barkantine or in your home.

### Who is this service for:

Adults, children, young people, pregnant women and their families for the population served by the Barkantine.

### How to access the service:

- The district nurses via your GP, the hospital or by social services.
- The health visitors by your midwife, your GP or self referral.
- The school nurses via the school, a self referral or by any other health referral.

### Opening Hours:

- District nurses:  
Monday to Sunday 8am to 10pm
- Health visiting:  
Monday to Friday 9am to 5pm
- School nurses:  
Monday to Friday 9am to 5pm (term time service)

### In an emergency:
